SUNNYVALE, Calif.--(BUSINESS WIRE)--May 7, 2021-- JFrog Ltd. ("JFrog") (NASDAQ: FROG), the liquid software company, today announced that it has been recognized as one of the 2021 Bay Area Best Places to Work by the San Francisco Business Times and Silicon Valley Business Journal.

The annual Bay Area Best Places to Work list is based on surveys of thousands of employees to identify the companies with the most engaged teams. JFrog ranked 22 out of 50 Bay Area companies in the mid-size category.

"We are thrilled to be recognized as a Bay Area Best Place to Work. Following an unprecedented year of challenges and workplace disruption with the onset of the COVID-19 crisis, it is immensely gratifying to know that employees continued to enjoy working at JFrog and considered the company to be a best place to work. Even though we were not together in physical offices, our team's spirit and shared sense of company culture allowed us to grow and remain engaged and focused," noted Keren Massad, CHRO of JFrog. "The Bay Area Best Place to Work honor is also a testament to the hard work and efforts of our managers, the real HR leaders that kept their employees safe, secured and engaged while growing the teams and business significantly."

A virtual awards ceremony honoring the 125 companies on this year's Bay Area Best Places to Work list was held yesterday.
