About JFrog

JFrog Ltd. (NASDAQ: FROG) is on a mission to power all the world’s software updates, driven by a “Liquid Software” vision to allow the seamless, secure, fearless flow of binaries from developers to the edge and connected devices. The JFrog DevOps Platform enables software creators to power their entire software supply chain through the full binary lifecycle, so they can build, secure, distribute and connect any source with any production environment. JFrog’s hybrid, universal, multi-cloud DevOps platform is available as both self-hosted and SaaS services across major cloud service providers. Millions of users and thousands of customers worldwide, including a majority of the Fortune 100, depend on JFrog solutions to securely embrace digital transformation. Once you leap forward, you won’t go back! Learn more at <https://jfrog.com/> and follow us on Twitter: [@JFrog](#).
